

Project Update: East Atlanta Village Streetscape Improvement Project - Phase II

City of Atlanta
Department of Public Works

Richard Mendoza, Commissioner

June 2014

Project: East Atlanta Village Streetscape Improvement Project | Phase II
Project ID#: 0006717 CD: 5 NPU: W

Description: Phase II of the East Atlanta Village Streetscape Improvement Project will include streetscape elements along both sides of several interconnecting roadways within East Atlanta Village, including portions of Flat Shoals Road, Glenwood Avenue, McPherson Avenue and Moreland Avenue.

Improvements include: wider sidewalks with brick pavers; decorative pedestrian lighting; a mini-roundabout; intersection reconfiguration and re-signalization at the intersection of Moreland and McPherson Avenue; a feature gateway sign; historical marker and plaque; ADA ramps; street trees and landscaping.

Phase: Construction

Schedule Status: On schedule

Construction Start Date: March 2013

Funding Sources: Federal CMAQ (Congestion Mitigation and Air Quality) & Local City of Atlanta Funding

Project Status:

- This project has been completed.

The Department of Public Works, in an ongoing effort to ensure that the community remains aware of progress being made with this project, will continue to keep the community informed through regular updates.
